

Mishawaka Air Activities, Inc.

## Aircraft Checkout and Signoff

Request:

Approval for use of Cessna 172 aircraft (including 180HP)

Approval for use of Piper Arrow (PA28R - Complex) aircraft

My current status is:

Student

Private Pilot

Ratings:

Total hours

Total hours in retractable aircraft

Total hours in Piper Arrow (PA28R)

Checkout requirements for MAA aircrafts are:

Pilot must have valid medical and pilot's certificate and is properly rated and current under the applicable Federal Aviation Regulations for the operation involved.

Piper Arrow: minimum of 200 hours total time AND

1- 10 hours dual time in a PA28R including not less than 15 take-offs and landings with MAA approved CFI

OR

2- 25 hours retractable time and 5 hours in the same make and model aircraft

I certify that I meet the requirements as outlined above for the aircraft(s) in which I am requesting a checkout and signoff.
